Just wanted to say a big thank-you to you and your lovely ladies they were fantastic.

The ladies were great the children absolutely loved being with them in their room every time I checked on our boys they were busy doing different things, several times we asked them if they wanted to come and have a dance and meet some of the guests but they flatly refused and said they wanted to stay where they were which was great as that tells me they are having a wonderful time. I will highly recommend you to family and friends and if we ever needed a creche again in the future I wouldn’t hesitate.

BRIDE AND GROOM

Very helpful and friendly, I felt completely comfortable in leaving my 9 month son with them.

PARENT

Me and my brother enjoyed the creche very much it was so fun, they were very polite.

CHILD

My child said that it was so much fun she wanted to stay there. She enjoyed making the picture frame. My other child enjoyed playing with the playdough. I would recommend the creche, the kids even got fed whilst the parents relaxed and enjoyed the wedding ceremony.

PARENT

I saw too little of them to say anything, other than my son was happy. Gift bag was imaginative and very generous. I was able to attend an important event as a single parent and did not have to spend all my attention on a bored son. He came back quite content and not cranky and I was able to be sister of the groom with no worries.

SISTER OF THE GROOM
Thank you so much for taking such brilliant care of the children during our wedding at Eltham Palace.

We were so impressed by the caring and professional service you provided and several of our guests have commented on what a great day it was for the children.

It was lovely to see them playing so happily on the lawn, having dinner together on their own table (feeling very grown up!), and having the freedom to come and go as they wanted whilst being very much part of the day.

I know their parents had a really fun, relaxed time thanks to your hardworking and talented staff. The party bags were also a real hit!

We’re so so glad you were there to look after the children and you helped to make it a wonderful day for us and our guests.
